

# Here For You

Oroville Hospital is proud to welcome  
**Dr. Elizabeth Johnston**  
to its general surgery department.

Originally from Concord, California, Dr. Johnston recently joined Oroville Hospital's already sterling surgical department. With breast cancer awareness month right around the corner, Dr. Johnston's arrival and focus on breast cancer couldn't have been more timely. For general procedures, Dr. Johnston will also utilize the new da Vinci® surgical robot to provide minimally invasive treatment with a greater level of precision and an accelerated timeframe for recovery. Call and schedule your mammogram today.
