Oroville Hospital

Cognition and Home Activities Questionnaire

Family may provide assistance with filling out the answers to the following questions: Has your ability to remember information, solve problems, or pay attention changed?(If yes, please describe):

How long have you had difficulty with memory, problem solving, or attention?

What is/was your occupation?

What is your highest level of education?

	Yes	No
At home, do you manage your own medications?	☐	☐
Do you cook or make your own meals?	☐	☐
Do you manage your own finances?	☐	☐
Do you require assistance keeping track of appointments?	☐	☐
Do you currently drive?	☐	☐

What other responsibilities do you have at home?

Is there anything else you would like to add about your difficulties with memory, problem solving, or attention?

What percentage would you rate your ability to remember information now compared to before (If 100% represents your ability before)?

Please list any/all strategies that you have used in reference to current difficulties with memory, problem solving, or attention?

Please read the following carefully:

- Your regular participation in therapy and follow through with your home program is essential to your recovery. It is important for you to keep scheduled appointments, please call our front desk (530-712-2196) as soon as possible (we appreciate at least a 24 hour notice) so that we may offer the appointment to another patient.

- If you have three missed appointments, whether canceled or no show/no call, this may result in a discharge from therapy services at the discretion of the therapist.

We look forward to partnering with you in your rehabilitation process and appreciate you choosing Golden Valley Outpatient Rehabilitation!

I acknowledge that I understand the policies and have completed this form to the best of my knowledge.
